ZOPPAS INDUSTRIES Partner

We at ZOPPAS INDUSTRIES put you in the front seat of internationalization - sourcing your local needs globally.

- Experience Zoppas Industries increasing efficiency using lean enterprise across all facilities and departments.
- Access our state-of-the-art laboratory facilities with over 30 years' design experience.
- Benefit from Zoppas Industries manufacturing and design facilities which maintain Quality Management Systems according to ISO 9001, EN 9100 and IATF 16949, Environmental Management System according to ISO 14001 and Energy Management System according to ISO 50001.
- Access one of the widest Heating Element Technology product portfolios in the world including completely integrated thermal assemblies with sensors, connectors, enclosures, etc.
- Benefit from Zoppas Industries global presence through design and manufacturing facilities across Europe, North America, South America and Asia - lowering your Total Cost of Ownership (TCO) including reduced logistics, design, communication and support costs.
- Access Zoppas Industries' in-house design, development and R&D capabilities, such as CAD 3D design, FEA, DOE, FMEA.
- Benefit from Zoppas Industries products third-party certification, such as UL and VDE: marking applied on customer's request.

PRODUCT TRADEMARKS

Compliance with the mark of each specific product must be properly reviewed with our Sales Department.

COMPANY CERTIFICATIONS

cod. 690190560 - 0722

Our mission it's to take care about the Comfort and the Safety of the people for the Marine application. At Zoppas Industries we design the Heating system solutions to ensure the reliability of the products and the full compliacy with our Customer requirements. The R&D team, with hight experience, develope innovative design concepts at the forefront of the heat application within the industry, and some of them become intellectual property of the Zoppas Industries.

Extensive know how and the market experience enabling us to design and manufacture reliable heating solutions meeting unique customer specification based on our modularity and Platform Concept. At Zoppas Industries we work in complete synergy with our customers, providing Project Management planning, design approval, full Life Cycle Cost evaluation and final product certification.
